

## **WELL CHILD VISIT & OFFICE VISIT BILLING GUIDE**

- **EPSDT (Well Child) Visits & Office (Sick) Visits may be billed and reimbursed separately for the same Date of Service for the same member.**

For Dates of Service prior to 1/1/09: EPSDT visit must be billed with modifiers **21EP** and primary diagnosis code **V20.2**.

For Dates of Service on or after 1/1/09: EPSDT visit must be billed with modifier **EP** and primary diagnosis code **V20.2**.

To bill an office visit with an EPSDT visit for a child: Office visit code must be billed with modifiers **EP25** and a corresponding diagnosis code for the sick visit.

EPSDT (Well Child) Visit – New Patient  
99381 – 99385

EPSDT (Well Child) Visit – Established Visit  
99391 – 99395

Office Visit (Sick Visit) – New Patient  
99201 – 99205

Office Visit (Sick Visit) – Established Patient  
99211 – 99215

- **Well Child visits can be completed during sports physicals. Then, bill for a Well Child visit, which is a higher rate than a sports physical.**
- **Members 3-20 years old can receive 1 well child check-up anytime during the calendar year.**
